Notes:

- 1) An unauthorised payment may occur if the receiving scheme provides the transferring member with benefits other than in accordance with UK pension legislation, or involves inducements to the transfer for example in the form of cash, assets, additional rights or benefits in kind. HM Revenue & Customs (HMRC) may charge the member tax of up to 55% on unauthorised payments. If you are in any doubt about whether the transfer is an unauthorised payment please seek independent financial advice.
- 2) For the pension scheme to benefit from tax relief it must be registered with HMRC and an Administrator appointed. HMRC may assume the Administrator to be fit and proper to carry out that complex role when registering the scheme but may subsequently de-register the scheme if they find the Administrator is not fit and proper. De-registration of your pension scheme would incur tax penalties on you. You should therefore satisfy yourself that your new scheme Administrator is fit and proper. Further guidance can be found at: <http://www.hmrc.gov.uk/pensionschemes/fitproper-guidance.pdf>
- 3) Alltrust may carry out additional checks as part of our obligation to help prevent pension scams. The transfer will not be made until all necessary checks have been carried out and are satisfactory. Where necessary we may report our findings to relevant authorities such as the Pensions Regulator, Financial Conduct Authority, HMRC and the National Crime Agency.

Be Scam Vigilant

Scams are more prevalent than ever with greater reliance on the use of emails, texts and social media which has led to life changing consequences for pension savers suffering significant losses, where scammers pretend to be a regulator or a financial service or have simply stolen your credentials. Plus of course the traditional 'too good to be true' scams where even 'trusted' financial advisors are offering unrealistic returns, poorly aligned opportunities and outcomes, or avoiding/evading tax; where investments are lost for good, and you may have a large tax bill on top. Please see this FCA campaign called ScamSmart - <https://www.fca.org.uk/scamsmart> and our website on current threats and what to look out for.

Additional notes and important information

Alltrust requires members to obtain regulated financial advice for certain pension transactions, including but not limited to benefit crystallisation, the transfer of pensions into or out of your Alltrust pension, and the transfer or purchase of non-standard investments, unless the member has been formally assessed and accepted as a Knowledgeable Investor by Alltrust.

Where advice is required, it must be provided by a suitably qualified and regulated financial adviser. That adviser must have a signed agreement with us, except in the case of transfers out, where they must simply hold the appropriate regulatory permissions. This requirement is in place to ensure decisions are made in the best interests of our members and in line with regulatory expectations.

Alltrust reserves the right to decline any instruction that does not meet this requirement.

If you are unsure whether advice is required for your specific request, please contact us before proceeding.
