Additional notes and important information

Alltrust requires members to obtain regulated financial advice for certain pension transactions, including but not limited to benefit crystallisation, the transfer of pensions into or out of your Alltrust pension, and the transfer or purchase of non-standard investments, unless the member has been formally assessed and accepted as a Knowledgeable Investor by Alltrust.

Where advice is required, it must be provided by a suitably qualified and regulated financial adviser. That adviser must have a signed agreement with us, except in the case of transfers out, where they must simply hold the appropriate regulatory permissions. This requirement is in place to ensure decisions are made in the best interests of our members and in line with regulatory expectations.

Alltrust reserves the right to decline any instruction that does not meet this requirement.

If you are unsure whether advice is required for your specific request, please contact us before proceeding.
